Qualifications for Judges(page 21)_____

Proposed Motion: A field judge for the National Run-off, derby or all-age, must have the following:

1. Attended and passed a field judging seminar put on by the UBGF, AKC or CKC.
2. Must have judged ten (10) AKC licensed trials in SPO format.
3. Must have judged licensed trials for a minimum of five (5) years.
4. Must not be a professional handler of beagles (defined as one who is paid more than entry fees & gas money for handling more than 3 hounds)
5. Additionally, to be nominated for the AKC National SPO Championship, must have judged a federation national SPO event.

Comments Pertaining to Motion Change: Using professional handlers as judges at our national events has hurt the number of entries. It is a conflict of interest for professional handlers to be judging any trials. Also, the AKC National SPO Committee members (from five different federations) have **requested** that federations not submit judges for consideration who are professional handlers._
