Derby Champion – Measurement – remove section that states that hounds will run in the class they qualified in and that no measurement will take place at the event and replace with the motion below.

Proposed Motion:_____

Hounds that are not field champions must have qualified in a qualifying trial. Measurement of hounds will be done in accordance with Procedure 3-A as printed in the current Beagle Field Trial Rules book as provided by AKC. All hounds including Field Champions will be measured for winners pack.

Comments Pertaining to Motion Change: Hounds will still need to run in qualifying trials. However, since both of our runoffs are sanctioned AKC trials and our All-Age may be a licensed event, we need to adhere to Procedure 3-A.
