DERBY GUNDOG CHAMPION OF THE U.B.G.F.

Measurement of hounds

Proposed Motion: The current rule for measurement of hounds for Derby Gundog Champion Of The U.B.G.F. is as follows: Measurement of hounds will be done in accordance with Procedure 3-A as printed in the current Beagle Field Trial Rules book as provided by AKC. All hounds, including Field Champions, will be measured in the winners pack.

This Proposed Motion would change that rule to:

Measurement: Hounds competing at the National Derby Run-off shall run in the class in which it qualified and entered. If a hound qualified in both classes, the current owner shall enter the hound in the class of his/her choice. No measurement of hounds will be required at this event.

Comments Pertaining to Motion Change: This change is simply reinstating a rule that was in place prior 05/17/16. The runoff is not a license trial it is a Federation Championship. We changed a rule that had worked for years and have already felt the negative effects. The federation must continue to have faith in it's member club to get knowledgeable judges to judge qualifying trials. If this is done there is no need to measure hounds at the Derby Gundog Champion Trial.
