

# UNITED BEAGLE GUNDOG FEDERATION

## Land Management Fundraiser

*It's not just a land; It's a lifestyle and a legacy*

What was a dream in 1977 is a reality today. From the first Nationals at Bush Gardens with 36 starters to over 200 starters in 2016 we have continued to flourish as one of the premier Federations in the competitive gundog beagle movements. Our emphasis on both the field and conformation has helped standardize the breed; creating an animal that can compete both physically and mentally with the competitive edge necessary for field trial competition. In 2000 the Federation began to realize that to continue the growth of our sport we must provide for the future. A committee was formed to investigate the possibilities of owning our own land. From that early committee and the support of its membership we now have what is known as the "Running Grounds".

In addition to our UBGF All-Age, Derby, Junior Handler, and Two Couple Pack Nationals we are presently hosting the AKC Nationals, MAB All-Age and Derby Nationals, and Butler County derby and licensed trials. As a membership we have met each challenge from the construction of the club house and the building of the rabbit feeders. The membership has accepted our responsibility and has taken the small piece of land in Western Kentucky and turned it into what every member knows as "Our Grounds".

To continue the rich heritage, we have been entrusted with, we must have adequate funds to make necessary improvements. For this purpose, we have chosen a project that will not only accomplish funding for our land management projects, but it will also give our membership an avenue to help individual clubs benefit with rewarding their participation with cash incentives.

The United Beagle Gundog Federation is promoting a brick campaign to construct a pad and walkway in our flag pole area. This will be a unique way for members to honor the memory of a friend, that once in a life-time dog, the promotion of your kennel or to advertise your business. Perhaps you just want to be a permanent part of history that we call The United Beagle Gundog Federation Running Grounds.

### CLUB INCENTIVES

(For UBGF member clubs only)

This program gives its member clubs an opportunity to participate in a fundraising effort that not only helps the Federation, but gives clubs a chance to receive additional funding for their own local projects.

#### How it works:

1. Drawings will be held periodically throughout the campaign. For every 300 bricks sold, the clubs that have received a slot number will be placed in a drawing to receive \$1,000 (to be divided between three clubs 50/30/20). Each time \$1,000 is given to the clubs another \$1,000 will be placed in the Grand Final Drawing. Only clubs can win the incentive, not individuals. When you purchase a brick, you have the opportunity to designate your purchase towards the club or your choice.
2. The winning slot numbers will not be eligible for another \$1,000 drawing, but will be eligible for the Grand Final drawing.
3. All clubs that earn slot numbers will be eligible for the Grand Final Drawing.
4. To be eligible for the incentive, your club must accumulate a minimum of ten (10) points to receive a slot number. If your club does not reach the minimum level of 10 then your club's points will be banked until the next plateau of 300 is reached.

#### Point System

4x8 bricks = 1 point    16x16 Array = 8 points  
8x8 bricks = 2 points    24x24 Array = 18 points

10 pts. = (1) slot number

Extra points will be carried over to next 300 pt plateau
