The hound with the second highest point total will be awarded Grand Final Runner-Up. A hound placing in the field and show will take precedence over a hound only placing in the field.

Add paragraph:

In the event not more than one hound placing in the field places in the show, the show judges actual show scores will be used to determine Grand Final Winner and Grand Final Runner Up. The field scores 10,8,6,4,2 will become 100,80,60,40,20 and added to the actual show score. Every hound must have been awarded a show score of 60 points or more to qualify for Grand final winner, Grand Final Runnerup, the All Age National or Derby National.

Comments pertaining to the motion: From the inception of the UBGF our goal has been to promote the complete hound, one that had superior field ability and also the confirmation to last in the field for hours on end and not break down prematurely with age. This rule change will eliminate the possibility that no hound earns GFW or GFRU that places in the field and has no points on the bench, We have had field trials this past year where no hound placing in the field also placed on the bench. No hound with poor conformation should earn these awards originally intended to better the breed.
