New Position _____

Proposed Motion: Add a new position of "Habitat Director" to the UBGF Board of Directors

This position will be responsible for habitat management for the running grounds.

Duties to include: All decisions for habitat management including plant species, timing to spray,

mow, burn, chemical treatments for tick control, feed, rabbit population, equipment needs,

running times and closed ground periods, etc.

This position will work closely with the Butler County group to manage all work.

Comments Pertaining to Motion Change: Habitat mangement needs to become

the number one priority to ensure the rabbit population becomes self sustaining and can

accomodate multiple trials throughout the year.
