

UNITED BEAGLE GUNDOG FEDERATION

MOTION FORM

Club making motion: Clearwater

This is an addition/change to the: By-Laws Running Rules

Specify present rule being changed/added to (Example: Article #, Section)
Article 14 Section 1

Proposed Motion: current verbiage “ at least one (1) of their AKC Licensed trials as a small pack option C.H.B. Qualifying Trial.

Proposed verbiage “ as small pack option CHB qualifying and / or Brace to small pack option”.

Comments Pertaining to Motion Change: This is an attempt to open the door for existing clubs wishing to hold an additional AKC Lic using the BR to SPO format for their second trial and those placing hounds to be qualified for the UBGF all age run-off. This change would also open the door for perspective new clubs, not currently holding a SPO trial the opportunity to join the federation as long as they are holding a BR to SPO trial. We feel like it can increase membership in the form of new clubs coming on board as

well as increase revenue from per capita monies paid on these additional trials.

The BR to SPO rules require gunfire as a test for gun shyness, satisfying our current requirement for all qualified hounds. _____
